

Greetings to our Valued Customers!

The Holiday Season is here again. For your convenience, we have enclosed our Holiday Gift List. Substitutions and custom boxes and baskets are available upon request.

Be sure to visit Harvest House Wine Cellar and Gift Shop for great gift ideas, including Homemade Fudge! Our Wine Cellar features a unique selection of Northwest Wines and our own Signature Wines.

Phone orders are always welcome!

This season our gifts are available exclusively at our Country Farm Market on Green Bluff. We are open every day until December 23rd from 9-4 PST. Santa will be here on the weekends in December. Our sledding hill will also be open daily for all that bring sleds (weather permitting).

Our homemade pies can be ordered freshly baked or frozen and are great for holiday entertaining. We'd love to see you during this holiday season. Enjoy a bowl of soup or chili, a piece of pie and hot cider or cocoa.

Thanks for your continued support of our family farm.

Happy Holidays,

The Beck Family
